Audience by Decision Level

Your ad + Must-Read Content = Higher Engagement

Across web, email, newsletters, webinars, video, social media and ad networks, CleanTrucking's content team provides multiple ways to move your audience from consideration to decision.

Website

15K Monthly Page Views

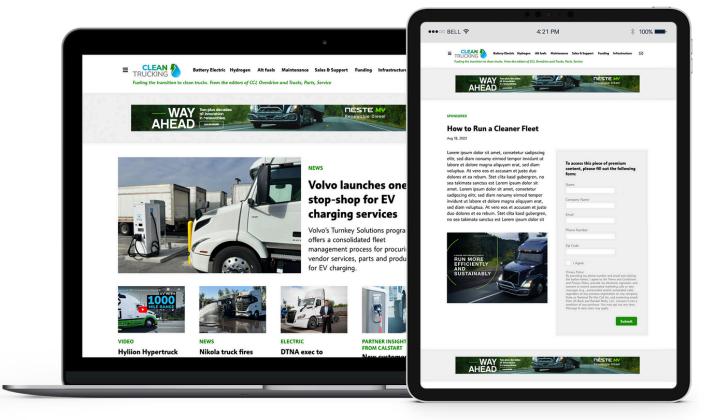

When it comes to staying on top of news, business tips and the latest equipment in the world of low emissions vehicles, fleet professionals turn to CleanTrucking. The immediacy of this content provides opportunities to continually engage with your target audience, support conversion-based campaigns and drive traffic to your website.

Newsletter

CleanTrucking Weekly 38K Recipients

Each week, the CleanTrucking newsletter covers the changing world of low emissions vehicles from a real-world perspective with insights on equipment, infrastructure and regulatory issues.

We know who's reading

Through CleanTrucking's unsurpassed audience insights, we know our content is being read by industry decision-makers.

Our known audience data includes:

Name

What they are reading

How long they spend reading

Online Behaviors

Source: 2024-2025 CCJ Buyer Behavior and Connectivity Report

2025 Share of Voice

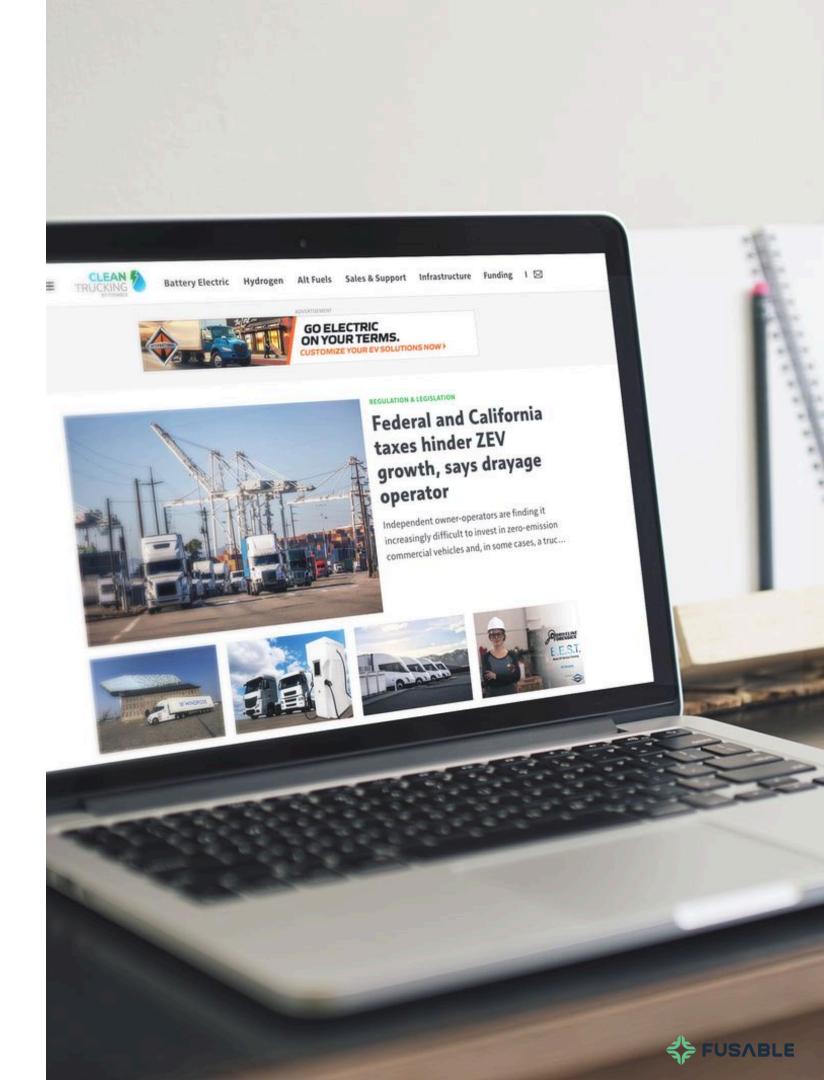

CleanTrucking serves a highly targeted audience of key fleet decision makers interested in zero and low emissions vehicles

We help advertisers engage this niche audience by offering a maximum of 4 advertisers a Share of Voice package versus traditional CPM. This monthly package includes:

- Website Rotating ad positions throughout the site, including the leaderboard and all ROS positions
- Weekly newsletter Rotating ad positions in the newsletter, including the top position
- Partner Insights Ability to post one article, video or white paper per month in the Partner Insights section of the website during the duration of your campaign

CleanTrucking.com Monthly Packages Start at \$7,350

Additional opportunities: Our Partner Insights Reporting Dashboard provides insights on ad and content engagement, including the companies and titles that have engaged with your content. Ask your sales rep for details.

REGULATION & LEGISLATION

Federal and California taxes hinder ZEV growth, says drayage operator

Independent owner-operators are finding it increasingly difficult to invest in zero-emission commercial vehicles and, in some cases, a truck-as-a-service (TaaS) provider due to the Federal Excise Tax (FET) and some states that still tax ZEV purchases.

Saving with Synthetics

You may know what a synthetic lubricant is, but do you know how they really protect, perform and last? Synthetic lubricants provide you with many long-lasting benefits because it is their nature to solve problems.

ACCELERATE!

Your content marketing campaign performance and ROI

Our Accelerate! platform connects our proprietary data insights with our media audiences' behavioral intent signals, letting us deliver the right message to the right audience at the right time, on the most effective channels.

We'll host your gated (lead-gen) or ungated content within CleanTrucking's Partner Insights on the homepage, in articles and on the CleanTrucking's weekly newsletter, then drive qualified traffic to it by promoting it across multiple channels, such as Facebook and LinkedIn (Multi-channel promotion incurs additional charges outside of the \$5k monthly Share of Voice pricing.)

The best part? You get exclusive, in-depth reporting* on campaign analytics AND insights into our known audience that has engaged with your content!

- ✓ Build your custom audience for multi-channel promotions
- ✓ Post your content articles, white papers, video within CleanTrucking's Partner Insights
- Activate multi-channel promotions
- Glean insights into campaign performance through your personalized dashboard
- View companies and job functions from our known audience that engage with your content
- Optimize your campaign based on what content resonates
